*"To the eye, tending towards **golden**, a nose of beautiful, ferrous and **floral**, with final notes of aromatic **herbs**.*

The wood is present, but well blended, the mouth is in fact fresh and with a pleasant length; nice flavor in the finish.

Notes of apple blossoms, aromatic herbs, medlar and plums.

*Remarkable sustained **elegance** on the palate with **freshness**, flavor and length, with a finish of sage and bay leaves and a touch of liquorice.*

Fresh nose with good, slightly aromatic ascent. Creamy mouth, with evident aromas derived from wood that embellish it and integrate well.

*The entire taste path is supported by a nice **acidic texture**.*

*Herbal **tonic** finish with a persistent liquorice."*
